

EFFECTIVE

December 1, 2021.

Subject(s)**ERM 301, Energy Services**

The one payment policy for heat and non-heat electric services is suspended for services with a request date of 12/1/2021 or after. A household may receive more than one State Emergency Relief (SER) payment during the 2022 fiscal year, up to the service cap.

Increase in fiscal year caps for energy-related services.

Beginning December 1, 2021, the maximum 2022 fiscal year payment limits for the following State Emergency Relief (SER) energy services are increased. The new cap amounts are:

- Natural gas, wood and all other fuel types - \$1150.
- Electricity - \$1150.
- All-electric household - \$1150.
- Deliverable fuel (propane, fuel oil, and coal) - \$1500.

Reason: Wood was incorrectly included in the previous bulletin as a deliverable fuel.
